Major Medical Expense Indemnity Insurance Policy

In this *policy*, "you" or "your" will refer to the *covered person* named on the Schedule of Benefits, and "we," "our," or "us" will refer to Celtic Insurance Company.

AGREEMENT AND CONSIDERATION

We issued this *policy* in consideration of the application and the payment of the first premium. A copy of *your* application is attached and is made a part of the *policy*. We will pay benefits to *you*, the *covered person*, for covered *loss* due to *illness* or *bodily injury* as outlined in this *policy*. Benefits are subject to *policy* definitions, provisions, limitations and exclusions.

GUARANTEED RENEWABLE

You may keep this *policy* in force by timely payment of the required premiums. However, we may refuse renewal if: (1) we refuse to renew all policies issued on this form, with the same type and level of benefits, to residents of the state where *you* then live; or (2) there is fraud or a material misrepresentation made by or with the knowledge of a *covered person* in filing a claim for *policy* benefits.

From time to time, we will change the rate table used for this *policy* form. Each premium will be based on the rate table in effect on that premium's due date. The *policy* plan, and age of *covered persons*, type and level of benefits, and place of residence on the premium due date are some of the factors used in determining *your* premium rates. We have the right to change premiums.

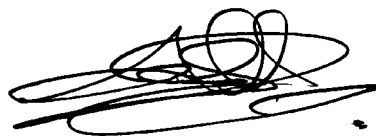

At least 31 days notice of any plan to take an action or make a change permitted by this clause will be delivered to *you* at *your* last address as shown in *our* records. We will make no change in *your* premium solely because of claims made under this *policy* or a change in a *covered person's* health. While this *policy* is in force, we will not restrict coverage already in force.

As a cost containment feature, this policy contains prior authorization requirements. Benefits may be reduced or not covered if the requirements are not met. Please refer to the Schedule of Benefits and the Prior Authorization Section.

TEN DAY RIGHT TO RETURN POLICY

Please read your *policy* carefully. If you are not satisfied, return this *policy* to us or to our agent within 10 days after you receive it. All premiums paid will be refunded, less claims paid, and the *policy* will be considered null and void from the effective date.

excludes benefits for services provided by other providers, except in cases of emergency or referral by a panel member.

This includes: ectopic pregnancy, spontaneous abortion, eclampsia, missed abortion, and similar medical and surgical conditions of comparable severity; but it does not include: false labor, preeclampsia, edema, prolonged labor, physician prescribed rest during the period of pregnancy, morning sickness, and conditions of comparable severity associated with management of a difficult pregnancy, and not constituting a medically classifiable distinct complication of pregnancy; and

Continuous loss means that *covered expenses* are continuously and routinely being incurred for the active treatment of an *illness* or *injury*. The first *covered expense* for the *illness* or *injury* must have been incurred before insurance of the *covered person* ceased under this *policy*. Whether or not *covered expenses* are being incurred for the active treatment of the covered *illness* or *injury* will be determined by *us* based on generally accepted current medical practice.

Dental expenses means *surgery* or services provided to diagnose, prevent, or correct any ailments or defects of the teeth and supporting tissue and any related supplies or oral appliances. Expenses for such treatment are considered *dental expenses* regardless of the reason for the services.

Misstatement of Age

If a *covered person's* age has been misstated, the benefits may be adjusted based on the relationship of the premium paid to the premium that should have been paid, based on the correct age.

Change or Misstatement of Residence

If *you* change *your residence*, *you* must notify *us* of *your* new *residence* within 60 days of the change. *Your* premium will be based on *your* new *residence* beginning on the first day of the next calendar month after the change. If *your residence* is misstated on *your* application, or *you* fail to notify *us* of a change of *residence*, *we* will apply the correct premium amount beginning on the first day of the first full calendar month *you* resided at that place of *residence*. If the change results in a lower premium, *we* will refund any excess premium. If the change results in a higher premium, *you* will owe *us* the additional premium.

Misstatement of Tobacco Use

The answer to the tobacco question on the application is material to *our* correct underwriting. If a *covered person's* use of tobacco has been misstated on the *covered person's* application for coverage under this *policy*, *we* have the right to rerate the policy back to the original effective date.

Pediatric Vision Expense Benefits

Covered expenses in this benefit subsection include the following for an *eligible child* under the age of 19 who is a *covered person*:

1. Routine vision screening, including dilation and with refraction every calendar year, including dilation;
2. One pair of prescription lenses or contacts every calendar year, including polycarbonate lenses and scratch resistant coating;
3. One pair of frames every calendar year; and
4. Low vision optical devices including low vision services, and an aid allowance with follow-up care when pre-authorized.

Covered expenses do not include:

1. Visual therapy; or
2. Two pair of glasses as a substitute for bifocals.

Preventive Care Expense Benefits

Covered expenses are expanded to include the charges incurred by a *covered person* for the following preventive health services if appropriate for that *covered person* in accordance with the following recommendations and guidelines:

1. Evidence based items or services that have in effect a rating of A or B in the current recommendations of the United States Preventive Services Task Force, including current recommendations regarding breast cancer screening, mammography, colorectal cancer screening and prevention;
2. Immunizations that have in effect a recommendation from the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention with respect to an individual;

4. Additional preventive care and screenings not included in (1) above, in accordance with comprehensive guidelines supported by the Health Resources and Services Administration for women.

Benefits for preventive health services listed in this provision, except under the administration of reasonable medical management techniques discussed in the next paragraph, are exempt from any deductibles and coinsurance provisions under the *policy* when the services are provided

Benefits for *covered expenses* for preventive care expense benefits may include the use of reasonable medical management techniques authorized by federal law to promote the use of high value preventive services. Reasonable medical management techniques may result in the application of deductibles and coinsurance provisions to services when a *covered person* chooses not to use a high value service that is otherwise exempt from deductibles and coinsurance provisions.

As new recommendations and guidelines are issued, those services will be considered *covered expenses* when required by the United States Secretary of Health and Human Services, but not earlier than one year after the recommendation or guideline is issued.

Newborns' and Mothers' Health Protection Act Statement of Rights

If expenses for *hospital* confinement in connection with childbirth are otherwise included as *covered expenses*, we will not limit the number of days for these expenses to less than that stated in this provision.

Under federal law, health insurance issuers generally may not restrict benefits otherwise provided for any *hospital* length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery or less than 96 hours following a delivery by cesarean section. However, we may provide benefits for *covered expenses* incurred for a shorter stay if the attending provider (e.g., *your physician, nurse midwife or physician assistant*), after consultation with the mother, discharges the mother or newborn earlier.

The level of benefits and out-of-pocket costs for any later part of the 48-hour or 96-hour stay will not be less favorable to the mother or newborn than any earlier part of the stay. We do not require that a physician or other health care provider obtain authorization for prescribing a length of stay of up to 48 hours or 96 hours.

Note: This provision does not amend the *policy* to restrict any terms, limits, or conditions that may otherwise apply to *covered expenses* for childbirth.

Transplant Service Expense Benefits

If we determine that a *covered person* is an appropriate candidate for a *listed transplant*, Medical Benefits *covered expenses* will be provided for:

1. Pre-transplant evaluation;
2. Pre-transplant harvesting;
3. Pre-transplant stabilization, meaning an *inpatient* stay to medically stabilize a *covered person* to prepare for a later transplant, whether or not the transplant occurs;

We will cover the medical expenses incurred by a live donor as if they were medical expenses of the *covered person* if:

1. They would otherwise be considered *covered expenses* under the *policy*;
2. The *covered person* received an organ or bone marrow of the live donor; and
3. The transplant was a *listed transplant*.

Ancillary "Center Of Excellence" Benefits:

A *covered person* may obtain services in connection with a *listed transplant* from any *physician*. However, if a *listed transplant* is performed in a *Center of Excellence*:

2. We will pay a maximum of \$10,000 per lifetime for the following services:

Lodging at or near the *Center of Excellence* for any live donor and the *immediate family* accompanying the *covered person* while the *covered person* is confined in the *Center of Excellence*. Limitations on Transplant Expenses Benefits:

In addition to the exclusions and limitations specified elsewhere in this section:

1. *Covered expenses* for *listed transplants* will be limited to two transplants during any 10- year period for each *covered person*;
2. If a designated *Center of Excellence* is not used, *covered expenses* for a *listed transplant* will be limited to a maximum for all expenses associated with the transplant. See the Schedule of Benefits for benefit levels or additional limits; and
3. If a designated *Center of Excellence* is not used, the acquisition cost for the organ or bone marrow is not covered.

Clinical Trial Coverage

Clinical Trial Coverage includes routine patient care costs incurred as the result of an approved phase I, II, III or phase IV clinical trial and the clinical trial is undertaken for the purposes of prevention, early detection, or treatment of cancer or other life threatening disease or condition. Coverage will include routine patient care costs incurred for (1) drugs and devices that have been approved for sale by the Food and Drug Administration (FDA), regardless of whether approved by the FDA for use in treating the patient's particular condition, (2) reasonable and *medically necessary* services needed to administer the drug or use the device under evaluation in the clinical trial and (3) all items and services that are otherwise generally available to a qualified individual that are provided in the clinical trial except:

- The investigational item or service itself;
- Items and services provided solely to satisfy data collection and analysis needs and that are not used in the direct clinical management of the patient; and
- Items and services customarily provided by the research sponsors free of charge for any enrollee in the trial.

Phase II clinical trials must meet the following requirements:

- Phase II of a clinical trial is sanctioned by the National Institutes of Health (NIH) or National Cancer Institute (NCI) and conducted at academic or National Cancer Institute Center; and
- The insured is enrolled in the clinical trial. This section shall not apply to insured that are only following the protocol of phase II of a clinical trial, but not actually enrolled.

Phase III and IV clinical trials must be approved or funded by one of the following entities:

- One of the National Institutes of Health (NIH);
- An NIH Cooperative Group or Center;
- The FDA in the form of an investigational new drug application;
- The federal Departments of Veterans' Affairs or Defense;
- An institutional review board in this state that has an appropriate assurance approved by the Department of Health and Human Services assuring compliance with and implementation of regulations for the protection of human subjects; or
- A qualified research entity that meets the criteria for NIH Center support grant eligibility.

In a clinical trial, the treating facility and personnel must have the expertise and training to provide the treatment and treat a sufficient volume of patients. There must be equal to or superior, noninvestigational treatment alternatives and the available clinical or preclinical data must provide a reasonable expectation that the treatment will be superior to the noninvestigational alternatives.

Providers participating in clinical trials shall obtain a patient's informed consent for participation in the clinical trial in a manner that is consistent with current legal and ethical standards. Such documents shall be made available to Celtic upon request.

PRIOR AUTHORIZATION

Prior Authorization Required

Some *covered expenses* require prior authorization. The following services or supplies require prior authorization:

1. *Hospital confinements*;
2. *Hospital confinement for psychiatric care*;
3. *Outpatient surgeries and major diagnostic tests*;
4. *All inpatient services*;
5. *Extended care facility confinements*;
6. *Rehabilitation facility confinements*;
7. *Skilled nursing facility confinements*;
8. *Transplants*; and
9. *Chemotherapy, specialty drugs and biotech medications*.

Except for *medical emergencies*, Prior Authorization must be obtained before services are rendered or expenses are *incurred*.

How to Obtain Prior Authorization

To obtain prior authorization contact *us* by telephone at the telephone number listed on *your* health insurance identification card before the service or supply is provided to the *covered person*.

Failure to Obtain Prior Authorization

Failure to comply with the prior authorization requirements will result in benefits being reduced. Please see the *policy* Schedule of Benefits for specific details.

There is a penalty if treatment is not authorized prior to service. The penalty is a 20% reduction of the eligible expenses for all charges related to the treatment. The penalty applies to all otherwise eligible expenses that are:

- Incurred for treatment without prior authorization;
- Incurred during additional *hospital* days without prior authorization; or
- Determined to be inappropriately authorized following a retrospective review, or inappropriately authorized due to misrepresentation of facts or false statements.

Benefits will not be reduced for failure to comply with prior authorization requirements prior to an *emergency*. However, *you* must contact *us* as soon as reasonably possible after the *emergency* occurs.

Prior Authorization Does Not Guarantee Benefits

Our authorization does not guarantee either payment of benefits or the amount of benefits. Eligibility for, and payment of, benefits are subject to all terms and conditions of the *policy*.

Requests for Predeterminations

You may request a predetermination of coverage. *We* will provide one if circumstances allow *us* to do so. However, *we* are not required to make a predetermination of either coverage or benefits for any particular treatment or medical expense. Any predetermination *we* may make will be reviewed after the medical

expense is incurred and a claim is filed. A review that shows one or more of the following may cause *us* to reverse the predetermination:

1. The predetermination was based on incomplete or inaccurate information initially received by *us*;
2. The medical expense has already been paid by someone else; and
3. Another party is responsible for payment of the medical expense.

We will make all benefit determinations after a *loss* in good faith. All benefit determinations are subject to *our* receipt of proper *proof of loss*.

GENERAL LIMITATIONS AND EXCLUSIONS

No benefits will be paid for:

1. Any service or supply that would be provided without cost to *you* or *your* covered *dependent* in the absence of insurance covering the charge;
2. Expenses/surcharges imposed on *you* or *your* covered *dependent* by a provider, including a *hospital*, but that are actually the responsibility of the provider to pay;
3. Any services performed by a member of a *covered person's immediate family*; and
4. Any services not identified and included as *covered expenses* under the *policy*. *You* will be fully responsible for payment for any services that are not *covered expenses*.

Even if not specifically excluded by this *policy*, no benefit will be paid for a service or supply unless it is:

1. Administered or ordered by a *physician*; and
2. *Medically necessary* to the diagnosis or treatment of an *injury* or *illness*, or covered under the Preventive Care Expense Benefits provision.

Covered expenses will not include, and no benefits will be paid for any charges that are incurred:

1. For services or supplies that are provided prior to the *effective date* or after the termination date of this *policy*, except as expressly provided for under the Benefits After Coverage Terminates clause in this *policy's* Termination section;
2. For any portion of the charges that are in excess of the *eligible expense*;
3. For weight modification, or for surgical treatment of obesity, including wiring of the teeth and all forms of intestinal bypass *surgery*;
4. For breast reduction or augmentation;
5. For modification of the physical body in order to improve the psychological, mental, or emotional well-being of the *covered person*, such as sex-change *surgery*;
6. For vasectomies, and reversal of sterilization and vasectomies;
7. For abortion unless the life of the mother would be endangered if the fetus were carried to term.
8. For treatment of malocclusions, disorders of the temporomandibular joint, or craniomandibular disorders, except as described in *covered expenses* of the Medical Benefits provision;
9. For expenses for television, telephone, or expenses for other persons;
10. For marriage, family, or child counseling for the treatment of premarital, marriage, family, or child relationship dysfunctions;
11. For telephone consultations or for failure to keep a scheduled appointment;
12. For *hospital* room and board and nursing services for the first Friday or Saturday of an *inpatient* stay that begins on one of those days, unless it is an *emergency*, or *medically necessary inpatient surgery* is scheduled for the day after the date of admission;
13. For stand-by availability of a *medical practitioner* when no treatment is rendered;
14. For *dental expenses*, including braces for any medical or dental condition, *surgery* and treatment for oral *surgery*, except as expressly provided for under Medical Benefits;
15. For *cosmetic treatment*, except for *reconstructive surgery* that is incidental to or follows *surgery* or an *injury* that was covered under the *policy* or is performed to correct a birth defect in a child who has been a *covered person* from its birth until the date *surgery* is performed;
16. For diagnosis or treatment of learning disabilities, attitudinal disorders, or disciplinary problems.
17. For diagnosis or treatment of nicotine addiction, except as otherwise covered under the Preventive Care Expense Benefits provision of this *policy*;

24. For eyeglasses, contact lenses, hearing aids, eye refraction, visual therapy, or for any examination or fitting related to these devices, except as specifically provided under the *policy*;
25. For *experimental or investigational treatment(s) or unproven services*. The fact that an *experimental or investigational treatment or unproven service* is the only available treatment for a particular condition will not result in benefits if the procedure is considered to be an *experimental or investigational treatment or unproven service* for the treatment of that particular condition;
26. For treatment received outside the United States, if travel extends beyond 90 consecutive days;
27. As a result of an *injury or illness* arising out of, or in the course of, employment for wage or profit, if the *covered person* is insured, or is required to be insured, by workers' compensation insurance pursuant to applicable state or federal law. If *you* enter into a settlement that waives a *covered person's* right to recover future medical benefits under a workers' compensation law or insurance plan, this exclusion will still apply. In the event that the workers' compensation insurance carrier denies coverage for a *covered person's* workers' compensation claim, this exclusion will still apply unless that denial is appealed to the proper governmental agency and the denial is upheld by that agency;
28. As a result of:
 - a. Intentionally self-inflicted bodily harm whether the *covered person* is sane or insane;
 - b. An *injury or illness* caused by any act of declared or undeclared war;

- participate or to instruct; scuba/skin diving when diving 60 or more feet in depth; skydiving; bungee jumping; rodeo sports; horseback riding, if the *covered person* is paid to participate or to instruct; rock or mountain climbing, if the *covered person* is paid to participate or to instruct; or skiing, if the *covered person* is paid to participate or to instruct;

As a result of any *injury* sustained while operating, riding in, or descending from any type of aircraft if the *covered person* is a pilot, officer, or member of the crew of such aircraft or is giving or receiving any kind of training or instructions or otherwise has any duties that require him or her to be aboard the aircraft;
 36. As a result of any *injury* sustained while at a *residential treatment facility*;

 39. Services or supplies eligible for payment under either federal or state programs (except Medicaid). This exclusion applies whether or not *you* assert *your* rights to obtain this coverage or payment of these services.

Limitation on Benefits for Services Provided By Medicare Opt-Out Practitioners

Benefits for *covered expenses* incurred by a Medicare-eligible individual for services and supplies provided by a *Medicare opt-out practitioner* will be determined as if the services and supplies had been provided by a *Medicare participating practitioner*. Benefits will be determined as if Medicare had, in fact, paid the benefits it would have paid if the services and supplies had been provided by a *Medicare participating practitioner*.

TERMINATION

Termination of Policy

All insurance will cease on termination of this *policy*. This *policy* will terminate on the earliest of:

1. Nonpayment of premiums when due, subject to the Grace Period provision in this *policy*;
2. The date *we* receive a request from *you* to terminate this *policy*, or any later date stated in *your* request;
3. The date *we* decline to renew this *policy*, as stated in the Discontinuance provision;
4. The date of *your* death, if this *policy* is an Individual Plan;
5. The date that a *covered person* accepts any direct or indirect contribution or reimbursement through wage adjustment or otherwise, by or on behalf of an employer for any portion of the premium for coverage under this *policy*, or the date a *covered person's* employer and a *covered person* treat this *policy* as part of an employer-provided health plan for any purpose, including tax purposes;
6. The date a *covered person's* eligibility for insurance under this *policy* ceases due to losing network access as the result of a permanent move; or
7. The date a *covered person's* eligibility for insurance under this *policy* ceases due to any of the reasons stated in the Ongoing Eligibility section in this *policy*.

We will refund any premium paid and not earned due to *policy* termination.

If this *policy* is other than an Individual Plan, it may be continued after *your* death:

1. By *your spouse*, if a *covered person*; otherwise
2. By the youngest child who is a *covered person*.

This *policy* will be changed to a plan appropriate, as determined by *us*, to the *covered person(s)* that continue to be covered under it. *Your spouse* or youngest child will replace *you* as the primary covered person. A proper adjustment will be made in the premium required for this *policy* to be continued. *We* will also refund any premium paid and not earned due to *your* death. The refund will be based on the number of full months that remain to the next premium due date.

Discontinuance

90-Day Notice:

If *we* discontinue offering and refuse to renew all policies issued on this form, with the same type and level of benefits, for all residents of the state where *you* reside, *we* will provide a written notice to *you* at least 90 days prior to the date that *we* discontinue coverage. *You* will be offered an option to purchase any other coverage in the individual market *we* offer in *your* state at the time of discontinuance of this *policy*. This option to purchase other coverage will be on a guaranteed issue basis without regard to health status.

180-Day Notice:

If *we* discontinue offering and refuse to renew all individual policies/certificates in the individual market in the state where *you* reside, *we* will provide a written notice to *you* and the Commissioner of Insurance at least 180 days prior to the date that *we* stop offering and terminate all existing individual policies in the individual market in the state where *you* reside.

Portability of Coverage

If a person ceases to be a *covered person* due to the fact that the person no longer meets the definition of *dependent* under the *policy*, the person will be eligible for continuation of coverage. If elected, *we* will continue the person's coverage under the *policy* by issuing an individual policy. The premium rate applicable to the new policy will be determined based on the residence of the person continuing coverage. All other terms and conditions of the new policy, as applicable to that person, will be the same as this *policy*, subject to any applicable requirements of the state in which that person resides. Any *deductible amounts* and maximum benefit limits will be satisfied under the new policy to the extent satisfied under this *policy* at the time that the continuation of coverage is issued. If the original coverage contains a family deductible which must be met by all *covered persons* combined, only those expenses incurred by the *covered person* continuing coverage under the new policy will be applied toward the satisfaction of the *deductible amount* under the new policy.

Notification Requirements

It is the responsibility of *you* or *your* former *dependent* to notify *us* within 31 days of *your* legal divorce or *your dependent's* marriage. *You* must notify *us* of the address at which their continuation of coverage should be issued.

Continuation of Coverage

We will issue the continuation of coverage:

1. No less than 30 days prior to a *covered person's* 30th birthday; or
2. Within 30 days after the date *we* receive timely notice of *your* legal divorce [or *dependent's* marriage]. *Your* former *dependent* must pay the required premium within 31 days following notice from *us* or the new *policy* will be void from its beginning.

Reinstatement

If any renewal premium is not paid within the time granted the *insured person* for payment, a subsequent acceptance of premium by Celtic to accept such premium, without requiring in connection therewith an application for reinstatement, shall reinstate the certificate, except when Celtic requires an application for reinstatement and issues a conditional receipt for the premium tendered, the certificate will be reinstated upon approval of such application by Celtic or, lacking such approval, upon the forty-fifth day following the date of such conditional receipt unless Celtic has previously notified the *insured person* in writing of its disapproval of such application. The reinstated certificate shall cover only loss resulting from such accidental injury as may be sustained after the date of reinstatement and loss due to such *sickness* as may begin more than ten days after such date. In all other respects the *insured person* and Celtic shall have the same rights thereunder as they had under the certificate immediately before the due date of the defaulted premium, subject to any provisions endorsed hereon or attached hereto in connection with the reinstatement. Any premium accepted in connection with a reinstatement shall be applied to a period for which premium has not been previously paid but not to any period more than sixty days prior to the date of reinstatement.

Reinstatement shall not change any provisions of the *policy*.

Benefits After Coverage Terminates

Benefits for *covered expenses* incurred after a *covered person* ceases to be insured are provided for certain *illnesses* and *injuries*. However, no benefits are provided if this *policy* is terminated because of:

1. A request by *you*;

2. Fraud or material misrepresentation on *your* part; or
3. *Your* failure to pay premiums.

The *illness* or *injury* must cause a *period of extended loss*, as defined below. The *period of extended loss* must begin before insurance of the *covered person* ceases under this *policy*. No benefits are provided for *covered expenses* incurred after the *period of extended loss* ends.

In addition to the above, if this *policy* is terminated because *we* refuse to renew all policies issued on this form, with the same type and level of benefits, to residents of the state where *you* live, termination of this *policy* will not prejudice a claim for a *continuous loss* that begins before insurance of the *covered person* ceases under this *policy*. In this event, benefits will be extended for that *illness* or *injury* causing the *continuous loss*, but not beyond the earlier of:

1. The date the *continuous loss* ends; or
2. 12 months after the date renewal is declined.

During coverage for a *period of extended loss* or a *continuous loss*, as described above, the terms and conditions of this *policy*, including those stated in the Premiums section of this *policy*, will apply as though insurance had remained in force for that *illness* or *injury*.

REIMBURSEMENT

If a *covered person's illness or injury* is caused by the acts or omissions of a *third party*, we will not cover a *loss* to the extent that it is paid as part of a settlement or judgment by any *third party*.

However, if payment by or for the *third party* has not been made by the time we receive acceptable *proof of loss*, we will pay regular *policy* benefits for the *covered person's loss*. We will have the right to be reimbursed to the extent of benefits we paid for the *illness or injury* if the *covered person* subsequently receives any payment from any *third party*. The *covered person* or the guardian, legal representatives, estate, or heirs of the *covered person* shall promptly reimburse us from the settlement, judgment, or any payment received from any *third party*.

As a condition for *our* payment, the *covered person* or anyone acting on his or her behalf including, but not limited to, the guardian, legal representatives, estate, or heirs agrees:

1. To fully cooperate with us in order to obtain information about the *loss* and its cause;
2. To immediately inform us in writing of any claim made or lawsuit filed on behalf of a *covered person* in connection with the *loss*;
3. To include the amount of benefits paid by us on behalf of a *covered person* in any claim made against any *third party*;
4. That we:
 - a. Will have a lien on all money received by a *covered person* in connection with the *loss* equal to the amount we have paid;
 - b. May give notice of that lien to any *third party* or *third party's* agent or representative;
 - c. Will have the right to intervene in any suit or legal action to protect *our* rights;
 - d. Are subrogated to all of the rights of the *covered person* against any *third party* to the extent of the benefits paid on the *covered person's* behalf; and
 - e. May assert that subrogation right independently of the *covered person*;
5. To take no action that prejudices *our* reimbursement and subrogation rights;
6. To sign, date, and deliver to us any documents we request that protect *our* reimbursement and subrogation rights;
7. To not settle any claim or lawsuit against a *third party* without providing us with written notice of the intent to do so;
8. To reimburse us from any money received from any *third party*, to the extent of benefits we paid for the *illness or injury*, whether obtained by settlement, judgment, or otherwise, and whether or not the *third party's* payment is expressly designated as a payment for medical expenses; and
9. That we may reduce other benefits under the *policy* by the amounts a *covered person* has agreed to reimburse us.

Furthermore, as a condition of *our* payment, we may require the *covered person* or the *covered person's* guardian, if the *covered person* is a minor or legally incompetent, to execute a written reimbursement agreement. However, the terms of this provision remain in effect regardless of whether or not an agreement is actually signed.

We have a right to be reimbursed in full if the *covered person* is fully compensated by any recovery received from any *third party* by settlement, judgment, or otherwise.

We will not pay attorney fees or costs associated with the *covered person's* claim or lawsuit unless we previously agreed in writing to do so.

If a dispute arises as to the amount a *covered person* must reimburse us, the *covered person* or the guardian, legal representatives, estate, or heirs of the *covered person* agrees to place sufficient funds in an escrow or trust account to satisfy the maximum lien amount asserted by us until the dispute is resolved.

CLAIMS

Notice of Claim

We must receive notice of claim within 30 days of the date the *loss* began or as soon as reasonably possible. Within 15 days of receipt, *we* will acknowledge and respond to any written communication relating to a claim and to all other pertinent communications from a *claimant* who reasonably suggests that a response is expected.

Claim Forms

We, upon receipt of a notice of claim, will furnish to the *claimant* such forms as are usually furnished by *us* for filing proofs of loss. If such forms are not furnished within fifteen days after the giving of such notice, the *claimant* shall be deemed to have complied with the requirements of this policy as to proof of loss upon submitting, within the time fixed in the policy for filing proofs of loss, written proof covering the occurrence, the character, and the extent of the loss for which claim is made.

Proof of Loss

You or *your* covered *dependent* must give *us* written *proof of loss* within 90 days of the *loss* or as soon as is reasonably possible. *Proof of loss* furnished more than one year late will not be accepted, unless *you* or *your* covered *dependent* had no legal capacity in that year.

Cooperation Provision

Each *covered person* or other person acting on his or her behalf must cooperate fully with *us* to assist *us* in determining *our* rights and obligations under the *policy* and, as often as may be reasonably necessary:

1. Sign, date and deliver to *us* authorizations to obtain any medical or other information, records or documents *we* deem relevant from any person or entity;
2. Obtain and furnish to *us*, or *our* representatives, any medical or other information, records or documents *we* deem relevant;
3. Answer, under oath or otherwise, any questions *we* deem relevant, which *we* or *our* representatives may ask; and
4. Furnish any other information, aid or assistance that *we* may require, including without limitation, assistance in communicating with any person or entity including requesting any person or entity to promptly provide to *us*, or *our* representative, any information, records or documents requested by *us*.

If any *covered person*, or other person acting on his or her behalf, fails to provide any of the items or information requested or to take any action requested, the claim(s) will be closed and no further action will be taken by *us* unless and until the item or information requested is received or the requested action is taken, subject to the terms and conditions of the *policy*.

In addition, failure on the part of any *covered person* or other person acting on his or her behalf, to provide any of the items or information requested or to take any action requested may result in the denial of claims of all *covered persons*.

Time for Payment of Claims

Benefits will be paid as soon as *we* receive proper *proof of loss*. Clean claims that are submitted electronically will be paid within 30 calendar days after receipt.

Payment of Claims

Except as set forth in this provision, all benefits are payable to *you*. Any accrued benefits unpaid at *your* death, or *your dependent's* death may, at *our* option, be paid either to the beneficiary or to the estate. If any benefit is payable to *your* or *your dependent's* estate, or to a beneficiary who is a minor or is otherwise not competent to give valid release, *we* may pay up to \$1,000 to any relative who, in *our* opinion, is entitled to it.

We may pay all or any part of the benefits provided by this *policy* for *hospital*, surgical, nursing, or medical services, directly to the *hospital* or other person rendering such services.

Any payment made by *us* in good faith under this provision shall fully discharge *our* obligation to the extent of the payment.

Overpayment

We shall not withhold any portion of any benefit payable, on the basis that the sum withheld is an adjustment or correction of an overpayment made on a prior claim arising under the same policy unless:

- *We* have in our files clear, documented evidence of an overpayment and written authorization from *you* permitting such withholding procedure, or
- *We* have within our files clear, documented evidence that:
 - The overpayment was clearly erroneous under the provisions of the policy. If the overpayment is the subject of a reasonable dispute as to facts, this procedure may not be used; and
 - The error which resulted in the overpayment is not a mistake of law; and
 - *We* notify *you* within six (6) months of the date of the error, except that in instances of error prompted by representations or nondisclosures by *you*, *we* notify the claimant within fifteen (15) days after the date that clear, documented evidence of discovery of such error is included in our file; and
 - Such notice states clearly the nature of the error, the amount of the overpayment, and the three year limitation.
- *We* may use the procedure set forth provided that the claim used to adjust the first overpayment is made no later than three years after the date of the error.
- The date of the error shall be the day on which the draft for benefits is issued.

Foreign Claims Incurred For Emergency Care

Claims incurred outside of the United States for *emergency* care and treatment of a *covered person* must be submitted in English or with an English translation. Foreign claims must include the applicable medical records in English to show proper *proof of loss*.

Denial of Claims

When a claim is denied, written notice of the denial shall be sent to the *claimant* within fifteen (15) days of the determination. *We* shall not deny a claim or portion thereof, on the grounds of a specific policy provision, condition or exclusion unless reference to such provision, condition or exclusion is included in the denial. The denial must be given in writing, with reasonable and accurate explanation.

If after *we* reject a claim or portion thereof, *you* object to such rejection and the rejection is maintained, *you* may contact the Nebraska Department of Insurance (DOI), at P.O. Box 82089, Lincoln, Nebraska, 68501-

2089 or 941 O. Street, Suite 400, Lincoln, Nebraska, 68508. The Nebraska DOI can also be reached at (402) 471-2201.

Assignment

We will reimburse a *hospital* or health care provider if:

1. *Your* health insurance benefits are assigned by *you* in writing; and
2. *We* approve the assignment.

Any assignment to a *hospital* or person providing the treatment, whether with or without *our* approval, shall not confer upon such *hospital* or person, any right or privilege granted to *you* under the *policy* except for the right to receive benefits, if any, that *we* have determined to be due and payable.

Medicaid Reimbursement

The amount payable under this *policy* will not be changed or limited for reason of a *covered person* being eligible for coverage under the Medicaid program of the state in which he or she lives.

We will pay the benefits of this *policy* to the state if:

1. A *covered person* is eligible for coverage under his or her state's Medicaid program; and
2. *We* receive proper *proof of loss* and notice that payment has been made for *covered expenses* under that program.

Our payment to the state will be limited to the amount payable under this *policy* for the *covered expenses* for which reimbursement is due. Payment under this provision will be made in good faith. It will satisfy *our* responsibility to the extent of that payment.

Custodial Parent

This provision applies if the parents of a *covered eligible child* are divorced or legally separated and both the custodial parent and the non-custodial parent are subject to the same court or administrative order establishing custody. The custodial parent, who is not a *covered person*, will have the rights stated below if *we* receive a copy of the order establishing custody.

Upon request by the custodial parent, *we* will:

1. Provide the custodial parent with information regarding the terms, conditions, benefits, exclusions and limitations of the *policy*;
2. Accept claim forms and requests for claim payment from the custodial parent; and
3. Make claim payments directly to the custodial parent for claims submitted by the custodial parent. Payment of claims to the custodial parent, which are made under this provision, will fully discharge *our* obligations.

A custodial parent may, with *our* approval, assign claim payments to the *hospital* or *medical practitioner* providing treatment to an *eligible child*.

Physical Examination

We shall have the right and opportunity to examine a *covered person* while a claim is pending or while a dispute over the claim is pending. These examinations are made at *our* expense and as often as *we* may reasonably require.

Legal Actions

No suit may be brought by *you* on a claim sooner than 60 days after the required *proof of loss* is given. No suit may be brought more than three years after the date *proof of loss* is required.

Time Limit on Certain Defenses

After two years from the date of issue of this policy no misstatements, except fraudulent misstatements, made by *you* in the application shall be used to void the policy or to deny a claim for loss incurred or disability, as defined in the policy, commencing after the expiration of such two-year period.

COORDINATION OF BENEFITS

This provision will apply unless prohibited by Nebraska law.

The Coordination of Benefits (COB) provision applies when a person has health care coverage under more than one **Plan**. **Plan** is defined below.

The order of benefit determination rules govern the order in which each **Plan** will pay a claim for benefits. The **Plan** that pays first is called the **Primary plan**. The **Primary plan** must pay benefits in accordance with its policy terms without regard to the possibility that another **Plan** may cover some expenses. The **Plan** that pays after the **Primary plan** is the **Secondary plan**. The **Secondary plan** may reduce the benefits it pays so that payments from all **Plans** do not exceed 100% of the total **Allowable expense**.

DEFINITIONS

A. A **Plan** is any of the following that provides benefits or services for medical or dental care or treatment. If separate contracts are used to provide coordinated coverage for members of a group, the separate contracts are considered parts of the same plan and there is no COB among those separate contracts.

(1) **Plan** includes: group and nongroup insurance contracts, health maintenance organization (HMO) contracts, closed panel plans or other forms of group or group-type coverage (whether insured or uninsured); medical care components of long-term care contracts, such as skilled nursing care; medical benefits under group or individual automobile contracts; and Medicare or any other federal governmental plan, as permitted by law.

(2) **Plan** does not include: hospital indemnity coverage or other fixed indemnity coverage; accident only coverage; specified disease or specified accident coverage; limited benefit health coverage, as defined by state law; school accident type coverage; benefits for non-medical components of long-term care policies; Medicare supplement policies; Medicaid policies; or coverage under other federal governmental plans, unless permitted by law.

Each contract for coverage under (1) or (2) is a separate **Plan**. If a **Plan** has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate **Plan**.

B. **This plan** means, in a **COB** provision, the part of the contract providing the health care benefits to which the **COB** provision applies and which may be reduced because of the benefits of other plans. Any other part of the contract providing health care benefits is separate from this plan. A contract may apply one **COB** provision to certain benefits, such as dental benefits, coordinating only with similar benefits, and may apply another **COB** provision to coordinate other benefits.

C. The order of benefit determination rules determine whether **this plan** is a **Primary plan** or **Secondary plan** when the person has health care coverage under more than one **Plan**. When **this plan** is primary, it determines payment for its benefits first before those of any other **Plan** without considering any other **Plan's** benefits. When **this plan** is secondary, it determines its benefits after those of another **Plan** and may reduce the benefits it pays so that all **Plan** benefits do not exceed 100% of the total **Allowable Expense**.

D. **Allowable expense** is a health care expense, including deductibles, coinsurance and copayments, that is covered at least in part by any **Plan** covering the person. When a **Plan** provides benefits in the form of services, the reasonable cash value of each service will be considered an **Allowable expense** and a benefit paid. An expense that is not covered by any **Plan** covering the person is not an **Allowable expense**. In addition, any expense that a provider by law or in accordance with a contractual agreement is prohibited from charging a covered person is not an **Allowable expense**.

The following are examples of expenses that are not **allowable expenses**:

(1) The difference between the cost of a semi-private hospital room and a private hospital room is not an **Allowable expense**, unless one of the **Plans** provides coverage for private hospital room expenses.

(2) If a person is covered by 2 or more **Plans** that compute their benefit payments on the basis of usual and customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology, any amount in excess of the highest reimbursement amount for a specific benefit is not an **Allowable expense**.

(3) If a person is covered by 2 or more **Plans** that provide benefits or services on the basis of negotiated fees, an amount in excess of the highest of the negotiated fees is not an **Allowable expense**.

(4) If a person is covered by one **Plan** that calculates its benefits or services on the basis of usual and customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology and another **Plan** that provides its benefits or services on the basis of negotiated fees, the **Primary plan's** payment arrangement shall be the **Allowable expense** for all **Plans**. However, if the provider has contracted with the **Secondary plan** to provide the benefit or service for a specific negotiated fee or payment amount that is different than the **Primary plan's** payment arrangement and if the provider's contract permits, the negotiated fee or payment shall be the **Allowable expense** used by the **Secondary plan** to determine its benefits.

(5) The amount of any benefit reduction by the **Primary plan** because a covered person has failed to comply with the **Plan** provisions is not an **Allowable expense**. Examples of these types of plan provisions include second surgical opinions, precertification of admissions, and preferred provider arrangements.

E. **Closed panel plan** is a **Plan** that provides health care benefits to covered persons primarily in the form of services through a panel of providers that has contracted with or is employed by the **Plan**, and that excludes coverage for services provided by other providers, except in cases of emergency or referral by a panel member.

F. **Custodial parent** is the parent awarded custody by a court decree or, in the absence of a court decree, is the parent with whom the child resides more than one half of the calendar year excluding any temporary visitation.

ORDER OF BENEFIT DETERMINATION RULES

When a person is covered by two or more **Plans**, the rules for determining the order of benefit payments are as follows:

A. the **Primary plan** pays or provides its benefits according to its terms of coverage and without regard to the benefits of under any other **Plan**.

B. (1) Except as provided in Paragraph (2), a **Plan** that does not contain a coordination of benefits provision that is consistent with this regulation is always primary unless the provisions of both **Plans** state that the complying plan is primary.

(2) Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits and provides that this supplementary coverage shall be excess to any other parts of the **Plan** provided by the contract holder. Examples of these types of situations are major medical coverage that are superimposed over base plan hospital and surgical benefits,

and insurance type coverage that are written in connection with a **Closed panel plan** to provide out-of-network benefits.

C. A **Plan** may consider the benefits paid or provided by another **Plan** in calculating payment of its benefits only when it is secondary to that other **Plan**.

D. Each **Plan** determines its order of benefits using the first of the following rules that apply:

(1) Non-Dependent or Dependent. The **Plan** that covers the person other than as a dependent, for example as an employee, member, policyholder, subscriber or retiree is the **Primary plan** and the **Plan** that covers the person as a dependent is the **Secondary plan**. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the **Plan** covering the person as a dependent; and primary to the **Plan** covering the person as other than a dependent (e.g. a retired employee); then the order of benefits between the two **Plans** is reversed so that the **Plan** covering the person as an employee, member, policyholder, subscriber or retiree is the **Secondary plan** and the other **Plan** is the **Primary plan**.

(2) Dependent Child Covered Under More Than One Plan. Unless there is a court decree stating otherwise, when a dependent child is covered by more than one **Plan** the order of benefits is determined as follows:

(a) For a dependent child whose parents are married or are living together, whether or not they have ever been married:

- The **Plan** of the parent whose birthday falls earlier in the calendar year is the **Primary plan**; or
- If both parents have the same birthday, the **Plan** that has covered the parent the longest is the **Primary plan**.

(b) For a dependent child whose parents are divorced or separated or not living together, whether or not they have ever been married:

(i) If a court decree states that one of the parents is responsible for the dependent child's health care expenses or health care coverage and the **Plan** of that parent has actual knowledge of those terms, that **Plan** is primary. This rule applies to plan years commencing after the **Plan** is given notice of the court decree;

(ii) If a court decree states that both parents are responsible for the dependent child's health care expenses or health care coverage, the provisions of Subparagraph (a) above shall determine the order of benefits;

(iii) If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the dependent child, the provisions of Subparagraph (a) above shall determine the order of benefits; or

(iv) If there is no court decree allocating responsibility for the dependent child's health care expenses or health care coverage, the order of benefits for the child are as follows:

- The **Plan** covering the **Custodial parent**;
- The **Plan** covering the spouse of the **Custodial parent**;
- The **Plan** covering the **non-custodial parent**; and then
- The **Plan** covering the spouse of the **non-custodial parent**.

(c) For a dependent child covered under more than one **Plan** of individuals who are the parents of the child, the provisions of Subparagraph (a) or (b) above shall determine the order of benefits as if those individuals were the parents of the child.

(3) Active Employee or Retired or Laid-off Employee. The **Plan** that covers a person as an active employee, that is, an employee who is neither laid off nor retired, is the **Primary plan**. The **Plan** covering that same person as a retired or laid-off employee is the **Secondary plan**. The same would hold true if a person is a dependent of an active employee and that same person is a dependent of a retired or laid-off employee. If the other **Plan** does not have this rule, and as a result, the **Plans** do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled D (1) can determine the order of benefits.

(4) COBRA or State Continuation Coverage. If a person whose coverage is provided pursuant to COBRA or under a right of continuation provided by state or other federal law is covered under another **Plan**, the **Plan** covering the person as an employee, member, subscriber or retiree or covering the person as a dependent of an employee, member, subscriber or retiree is the **Primary plan** and the COBRA or state or other federal continuation coverage is the **Secondary plan**. If the other **Plan** does not have this rule, and as a result, the **Plans** do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled D (1) can determine the order of benefits.

(5) Longer or Shorter Length of Coverage. The **Plan** that covered the person as an employee, member, policyholder, subscriber or retiree longer is the **Primary plan** and the **Plan** that covered the person the shorter period of time is the **Secondary plan**.

(6) If the preceding rules do not determine the order of benefits, the **Allowable Expenses** shall be shared equally between the **Plans** meeting the definition of **Plan**. In addition, **this plan** will not pay more than it would have paid had it been the **Primary plan**.

EFFECT ON THE BENEFITS OF THIS PLAN

A. When **This plan** is secondary; it may reduce its benefits so that the total benefits paid or provided by all **Plans** during a plan year are not more than the total **Allowable expenses**. In determining the amount to be paid for any claim, the **Secondary plan** will calculate the benefits it would have paid in the absence of other health care coverage and apply that calculated amount to any **Allowable expense** under its **Plan** that is unpaid by the **Primary plan**. The **Secondary plan** may then reduce its payment by the amount so that, when combined with the amount paid by the **Primary plan**, the total benefits paid or provided by all **Plans** for the claim do not exceed the total **Allowable expense** for that claim. In addition, the **Secondary plan** shall credit to its plan deductible any amounts it would have credited to its deductible in the absence of other health care coverage.

B. If a covered person is enrolled in two or more **Closed panel plans** and if, for any reason, including the provision of service by a non-panel provider, benefits are not payable by one **Closed panel plan**; **COB** shall not apply between that **Plan** and other **Closed panel plans**.

RIGHT TO RECEIVE AND RELEASE NEEDED INFORMATION

Certain facts about health care coverage and services are needed to apply these **COB** rules and to determine benefits payable under **this plan** and other **Plans**. [Organization responsibility for **COB**

administration] may get the facts it needs from or give them to other organizations or persons for the purpose of applying these rules and determining benefits payable under **this plan** and other **Plans** covering the person claiming benefits. [Organization responsibility for **COB** administration] need not tell, or get the consent of, any person to do this. Each person claiming benefits under **this plan** must give [Organization responsibility for **COB** administration] any facts it needs to apply those rules and determine benefits payable.

FACILITY OF PAYMENT

A payment made under another **Plan** may include an amount that should have been paid under **this plan**. If it does, [Organization responsibility for **COB** administration] may pay that amount to the organization that made that payment. That amount will then be treated as though it were a benefit paid under **this plan**. [Organization responsibility for **COB** administration] will not have to pay that amount again. The term “payment made” includes providing benefits in the form of services, in which case “payment made” means the reasonable cash value of the benefits provided in the form of services.

RIGHT OF RECOVERY

If the amount of the payments made by [Organization responsibility for **COB** administration] is more than it should have paid under this **COB** provision, it may recover the excess from one or more of the persons it has paid or for whom it has paid; or any other person or organization that may be responsible for the benefits or services provided for the covered person. The “amount of the payments made” includes the reasonable cash value of any benefits provided in the form of services.

GRIEVANCE AND COMPLAINT PROCEDURES

INTERNAL PROCEDURES

Applicability/Eligibility

The internal *grievance* procedures apply to any hospital or medical policy or certificate or conversion plans, but not to accident only or disability only insurance.

An Eligible grievant is:

1. A claimant;
2. Person authorized to act on behalf of the claimant. **Note:** Written authorization is not required; however, if received, we will accept any written expression of authorization without requiring specific form, language, or format;
3. In the event the claimant is unable to give consent: a spouse, family member, or the treating Provider; or
4. In the event of an *expedited grievance*: the person for whom the insured has verbally given authorization to represent the claimant.

Important: *Adverse benefit determinations* that are not *grievances* will follow standard PPACA internal appeals processes.

Grievances

Claimants have the right to submit written comments, documents, records, and other information relating to the claim for benefits. Claimants have the right to review the claim file and to present evidence and testimony as part of the internal review process.

Grievances will be promptly investigated and presented to the internal *grievance* panel. A plan that is providing benefits for an ongoing course of treatment cannot be reduced or terminated without providing advance notice and an opportunity for advance review. The plan is required to provide continued coverage pending the outcome of an appeal.

Resolution Timeframes

1. *Grievances* regarding quality of care, quality of service, or *reformation* will be resolved within 30 calendar days of receipt. The time period may be extended for an additional 30 calendar days, making the maximum time for the entire *grievance* process 60 calendar days if we provide the *claimant* and the *claimant's* authorized representative, if applicable, written notification of the following within the first 30 calendar days:
 - a. That we have not resolved the *grievance*;
 - b. When *our* resolution of the *grievance* may be expected; and
 - c. The reason why the additional time is needed.
2. All other *grievances* will be resolved and we will notify the *claimant* in writing with the appeal decision within the following timeframes:
 - a. *Post-service claim*: within 60 calendar days after receipt of the *claimant's* request for internal appeal;
 - b. *Pre-service claim*: within 15 calendar days after receipt of the *claimant's* request for internal appeal.
 - c. *Urgent claim*; within 72 hours after receipt of the *claimant's* request for internal appeal.

A claimant shall be provided, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claimant's claim for benefits. All comments, documents, records and other information submitted by the claimant relating to the claim for benefits, regardless of whether such information was submitted or considered in the initial *adverse benefit determination*, will be considered in the internal appeal.

1. The claimant will receive from the plan, as soon as possible, any new or additional evidence considered by the reviewer. The plan will give the claimant 10 calendar days to respond to the new information before making a determination, unless the state turnaround time for response is due in less than 10 days. If the state turnaround time is less than 10 days, the claimant will have the option of delaying the determination for a reasonable period of time to respond to the new information;
2. The claimant will receive from the plan, as soon as possible, any new or additional medical rationale considered by the reviewer. The plan will give the claimant 10 calendar days to respond to the new medical rationale before making a determination, unless the state turnaround time for response is due in less than 10 days. If the state turnaround time is less than 10 days, the claimant will have the option of delaying the determination for a reasonable period of time to respond to the new medical rationale.

Refer to a later section for information regarding internal *expedited grievances*.

Acknowledgement

Within five business days of receipt of a *grievance*, a written acknowledgment to the claimant or the claimant's authorized representative confirming receipt of the *grievance* must be delivered or deposited in the mail.

When acknowledging a *grievance* filed by an authorized representative, the acknowledgement shall include a clear and prominent notice that health care information or medical records may be disclosed only if permitted by law.

1. The acknowledgement shall state that unless otherwise permitted under applicable law, informed consent is required and the acknowledgement shall include an informed consent form for that purpose;
2. If such disclosure is prohibited by law, health care information or medical records may be withheld from an authorized representative, including information contained in its resolution of the *grievance*; and
3. A *grievance* submitted by an authorized representative will be processed regardless of whether health care information or medical records may be disclosed to the authorized representative under applicable law.

Right to Appear

The claimant, who filed the *grievance*, or the claimant's authorized representative, has the right to appear in person before the *grievance* panel to present written or oral information. The grievant may submit written questions to the person or persons responsible for making the determination that resulted in the *grievance*.

1. Written notification must be sent to the claimant indicating the time and place of the *grievance* panel meeting at least seven calendar days before the meeting;
2. Reasonable accommodations must be provided to allow the claimant, or the claimant's authorized representative, to participate in the *grievance* panel.

Grievance Panel

The *grievance* panel will not include the person who made the initial determination and is not the subordinate of the original reviewer. The panel may, however, consult with the initial decision-maker. If the panel consists of at least three persons, the panel may then include no more than one subordinate of the person who made the initial determination.

The *grievance* panel will include:

1. At least one individual authorized to take corrective action on the *grievance*; and
2. At least one insured other than the grievant, if an insured is available to serve on the *grievance* panel. The insured member of the panel shall not be an employee of the plan, to the extent possible.

When the *adverse benefit determination* is based in whole or in part on a medical judgment, the *grievance* panel will consult with a licensed health care provider with expertise in the field relating to the *grievance* and who was not consulted in connection with the original *adverse benefit determination*.

Expedited Grievance

An *expedited grievance* may be submitted orally or in writing. All necessary information, including *our* determination on review, will be transmitted between the claimant and *us* by telephone, facsimile, or other available similarly expeditious method.

An *expedited grievance* shall be resolved as expeditiously as the *claimant's* health condition requires but not more than 72 hours after receipt of the *grievance*.

Due to the 72-hour resolution timeframe, the standard requirements for notification, *grievance* panel/right to appear, and acknowledgement do not apply to *expedited grievances*.

Upon written request, *we* will mail or electronically mail a copy of the claimant's complete policy to the claimant or the claimant's authorized representative as expeditiously as the *grievance* is handled.

Written Grievance Response

Grievance response letters shall describe, in detail, the *grievance* procedure and the notification shall include the specific reason for the denial, determination or initiation of disenrollment.

The panel's written decision to the grievant must include:

1. The disposition of and the specific reason or reasons for the decision;
2. Any corrective action taken on the *grievance*;
3. The signature of one voting member of the panel; and
4. A written description of position titles of panel members involved in making the decision.
5. If upheld or partially upheld, it is also necessary to include:
 - a. A clear explanation of the decision;
 - b. Reference to the specific plan provision on which the determination is based;
 - c. A statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claimant's claim for benefits.
 - d. If an internal rule, guideline, protocol, or other similar criterion was relied upon in making the adverse determination, either the specific rule, guideline, protocol, or other similar criterion; or a statement that such rule, guideline, protocol, or other similar criterion was

- relied upon in making the adverse determination and that a copy of the rule, guideline, protocol, or other similar criterion will be provided free of charge to the claimant upon request;
- e. If the *adverse benefit determination* is based on a medical necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the plan to the claimant's medical circumstances, or a statement that such explanation will be provided free of charge upon request;
 - f. Identification of medical experts whose advice was obtained on behalf of the health plan, without regard to whether the advice was relied upon in making the *adverse benefit determination*;
 - g. The date of service;
 - h. The health care provider's name;
 - i. The claim amount;
 - j. The diagnosis and procedure codes with their corresponding meanings, or an explanation that the diagnosis and/or procedure codes are available upon request;
 - k. The health plan's denial code with corresponding meaning;
 - l. A description of any standard used, if any, in denying the claim;
 - m. A description of the external review procedures, if applicable;
 - n. The right to bring a civil action under state or federal law;
 - o. A copy of the form that authorizes the health plan to disclose protected health information, if applicable;
 - p. That assistance is available by contacting the specific state's consumer assistance department, if applicable; and
 - q. A culturally linguistic statement based upon the claimant's county or state of residence that provides for oral translation of the *adverse benefit determination*, if applicable.

Complaints

Basic elements of a *complaint* include:

1. The complainant is the claimant or an authorized representative of the claimant;
2. The submission may or may not be in writing;
3. The issue may refer to any dissatisfaction about:
 - a. Us, as the insurer; e.g., customer service *complaints* - "the person to whom I spoke on the phone was rude to me";
 - b. Providers with whom we have a direct or indirect contract;
 - i. Lack of availability and/or accessibility of network providers not tied to an unresolved benefit denial; and
 - ii. Quality of care/quality of service issues;
4. Written expressions of dissatisfaction regarding quality of care/quality of service are processed as *grievances*.
5. Oral expressions of dissatisfaction regarding quality of care/quality of service are processed as *complaints* as indicated in standard oral *complaint* instructions; and
6. Any of the issues listed as part of the definition of *grievance* received from the *claimant* or the claimant's authorized representative where the caller has not submitted a written request but calls us to escalate their dissatisfaction and request a verbal/oral review.

Complaints received from the State Insurance Department

The commissioner may require *us* to treat and process any *complaint* received by the State Insurance Department by, or on behalf of, a claimant as a *grievance* as appropriate. *We* will process the State Insurance Department *complaint* as a *grievance* when the commissioner provides *us* with a written description of the *complaint*.

External Review

An external review decision is binding on *us*. An external review decision is binding on the claimant except to the extent the claimant has other remedies available under applicable federal or state law.

We will pay for the costs of the external review performed by the independent reviewer.

Request for an external review must first be made in writing to the Nebraska Department of Insurance (DOI), at P.O. Box 82089, Lincoln, Nebraska, 68501-2089 or 941 O. Street, Suite 400, Lincoln, Nebraska, 68508. The Nebraska DOI can also be reached at (877) 564-7323. The Nebraska DOI will then forward the request to *us*. The Nebraska DOI decides if the external review is to be forwarded to an IRO. If so, the Nebraska DOI will assign the IRO to handle the review.

Applicability/Eligibility

The *Grievance* procedures apply to:

1. Any hospital or medical policy or certificate; excluding accident only or disability income only insurance; or
2. Conversion plans.

After exhausting the internal review process, the claimant has four months to make a written request to the Grievance Administrator for external review after the date of receipt of *our* internal response.

1. The internal appeal process must be exhausted before the claimant may request an external review unless the claimant files a request for an expedited external review at the same time as an internal *expedited grievance* or *we* either provide a waiver of this requirement or fail to follow the appeal process;
2. A health plan must allow a claimant to make a request for an expedited external review with the plan at the time the claimant receives:
 - a. An *adverse benefit determination* if the determination involves a medical condition of the claimant for which the timeframe for completion of an internal *expedited grievance* would seriously jeopardize the life or health of the claimant or would jeopardize the claimant's ability to regain maximum function and the claimant has filed a request for an internal *expedited grievance*; and
 - b. A final internal *adverse benefit determination*, if the claimant has a medical condition where the timeframe for completion of a standard external review would seriously jeopardize the life or health of the claimant or would jeopardize the claimant's ability to regain maximum function, or if the final internal *adverse benefit determination* concerns an admission, availability of care, continued stay, or health care item or service for which the claimant received emergency services, but has not been discharged from a facility; and
3. Claimants may request an expedited external review at the same time the internal *expedited grievance* is requested and an Independent Review Organization (IRO) will determine if the internal *expedited grievance* needs to be completed before proceeding with the expedited external review.

External review is available for *grievances* that involve:

1. Medical judgment, including but not limited to those based upon requirements for medical necessity, appropriateness, health care setting, level of care or effectiveness of a covered benefit; or the determination that a treatment is experimental or investigational, as determined by an external reviewer; or
2. *Rescissions* of coverage.

External Review Process

1. We have five business days (immediately for expedited) following receipt of the request to conduct a preliminary review of the request to determine whether:
 - a. The individual was a covered person at the time the item or service was requested;
 - b. The service is a covered service under the claimant's health plan but for the plan's *adverse benefit determination* with regard to medical necessity experimental/investigational, medical judgment, or *rescission*;
 - c. The claimant has exhausted the internal process; and
 - d. The claimant has provided all of the information required to process an external review.
2. Within one business day (immediately for expedited) after completion of the preliminary review, we will notify the claimant in writing as to whether the request is complete but not eligible for external review and the reasons for its ineligibility or, if the request is not complete, the additional information needed to make the request complete;
3. We must allow a claimant to perfect the request for external review within the four-month filing period or within the 48-hour period following the receipt of notification;
4. The Director will assign an IRO.
5. Within five business days after the date of assignment of the IRO, we must provide the documents and any information considered in making the *adverse benefit determination* to the IRO.
Note: For expedited, after assignment of the IRO, we must provide the documents and any information considered in making the *adverse benefit determination* to the IRO electronically or by telephone or facsimile or any other available expeditious method;
6. If we fail to timely provide the documents and information, the IRO may terminate the external review and make a decision to reverse the *adverse benefit determination*;
7. Within 10 business days, the assigned IRO will timely notify the claimant in writing of the request's eligibility and acceptance for external review. The notice will include a statement that the claimant may submit in writing additional information to the IRO to consider;
8. Upon receipt of any information submitted by the claimant, the IRO must forward the information to us within one business day;
9. Upon receipt of the information, we may reconsider our determination. If we reverse our *adverse benefit determination*, we must provide written notice of the decision to the claimant and the IRO within one business day after making such decision. The external review would be considered terminated;
10. Within 45 days (72 hours for expedited) after the date of receipt of the request for an external review by the health plan, the IRO will review all of the information and provide written notice of its decision to uphold or reverse the *adverse benefit determination* to the claimant and to us. If the notice for an expedited review is not in writing, the IRO must provide written confirmation within 48 hours after the date of providing the notice;
11. Upon receipt of a notice of a decision by the IRO reversing the *adverse benefit determination*, we will approve the covered benefit that was the subject of the *adverse benefit determination*.

GENERAL PROVISIONS

Entire Contract

This *policy*, with the application and any rider-amendments is the entire contract between *you* and *us*. No change in this *policy* will be valid unless it is approved by one of *our* officers and noted on or attached to this *policy*. No agent may:

1. Change this *policy*;
2. Waive any of the provisions of this *policy*;
3. Extend the time for payment of premiums; or
4. Waive any of *our* rights or requirements.

Non-Waiver

If *we* or *you* fail to enforce or to insist on strict compliance with any of the terms, conditions, limitations or exclusions of the *policy*, which will not be considered a waiver of any rights under the *policy*. A past failure to strictly enforce the *policy* will not be a waiver of any rights in the future, even in the same situation or set of facts.

Rescissions

No misrepresentation of fact made regarding a *covered person* during the application process that relates to insurability will be used to void/rescind the insurance coverage or deny a claim unless:

1. The misrepresented fact is contained in a written application, including amendments, signed by a *covered person*;
2. A copy of the application, and any amendments, has been furnished to the *covered person(s)*, or to their beneficiary; and
3. The misrepresentation of fact was intentionally made and material to *our* determination to issue coverage to any *covered person*. A *covered person's* coverage will be voided/rescinded and claims denied if that person performs an act or practice that constitutes fraud. "Rescind" has a retroactive effect and means the coverage was never in effect.

Repayment for Fraud, Misrepresentation or False Information

During the first two years a *covered person* is insured under the *policy*, if a *covered person* commits fraud, misrepresentation or knowingly provides false information relating to the eligibility of any *covered person* under this *policy* or in filing a claim for *policy* benefits, *we* have the right to demand that *covered person* pay back to *us* all benefits that *we* paid during the time the *covered person* was insured under the *policy*.

Conformity with Federal and State Laws

Any part of this *policy* in conflict with the law of the federal government or the state in which your policy was issued on this *policy's* effective date or on any premium due date is hereby amended to conform to the minimum requirements of such law.

Conditions Prior To Legal Action

On occasion, *we* may have a disagreement related to coverage, benefits, premiums, or other provisions under this *policy*. Litigation is an expensive and time-consuming way to resolve these disagreements and should be the last resort in a resolution process. Therefore, with a view to avoiding litigation, *you* must give written notice to *us* of *your* intent to sue *us* as a condition prior to bringing any legal action. *Your* notice must:

1. Identify the coverage, benefit, premium, or other disagreement;

2. Refer to the specific *policy* provision(s) at issue; and
3. Include all relevant facts and information that support *your* position.

Unless prohibited by law, *you* agree that *you* waive any action for statutory or common law extra-contractual or punitive damages that *you* may have if the specified contractual claims are paid, or the issues giving rise to the disagreement are resolved or corrected, within 30 days after *we* receive *your* notice of intention to sue *us*.

Change of Beneficiary

Unless *you* make an irrevocable designation of beneficiary, the right to change the beneficiary is reserved to *you* and the consent of the beneficiary or beneficiaries is not required to surrender or assign this policy, to make any change of beneficiary or beneficiaries, or to make any other changes in this policy. The first clause of this provision, relating to the irrevocable designation of beneficiary, may be omitted at *your* option.
